FYI, I spoke with Tom Stoops earlier about the May 1st last call date and he is fine and seemed pleased.

Shaun – Here is the itinerary for your trip to MT. My understanding is that the trip to Kalispell was suggested by Mike and thought to be a good idea by the front office. It is not anticipated that press will be there. I am still looking at the talkers for CFAC. Let us know if these need revision. I will get you the CFAC talkers tomorrow morning.
